Application for Unorthodox Location Tenneco Childers 3E 1290' FSL, 1780' FEL Basin Da Kota Sec. 3, T31N, R11W
San Juan County, New Mexico

Gentlemen:

Attached in duplicate (to each office) are a well location plat (C-102) with an ownership plat for the above referenced well.

Due to steep topography, the location of a small reservoir and an existing well, this well could not be placed where it conforms to state spacing requirements. This is the only geologic and topographic site acceptable.

A copy of this application is being submitted to all offset operators by certified mail with a request that they furnish your Santa Fe office with a waiver of objection.

Pursuant to the authority of Rule 104-F we respectfully request your approval of an exemption to the standard well location requirements.

Yours very truly,

TENNECO QIL COMPANY

Ken Russell
