Attention: Keith E. McKamey

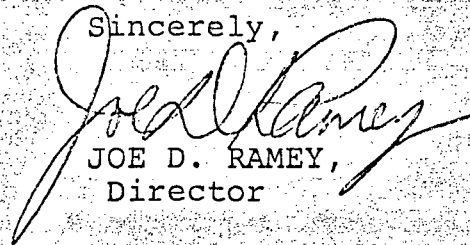

Administrative Order NSL-1814

Gentlemen:

Reference is made to your application for a non-standard location for your Toles Federal Well No. 2 to be located 1090 feet from the South line and 1650 feet from the West line, S/2 of Section 24, Township 15 South, Range 27 East, Chaves County, New Mexico. The Atoka and Morrow formations will be the target horizons.

By authority granted me under the provisions of Rule 104 FI of the Division Rules and Regulations, the above-described unorthodox location is hereby approved.

Sincerely,

JOE D. RAMEY,  
Director
