Re: Non-Standard Location
MOC Champeau Fed. No. 1
NE NW, Sec. 31-T15S-R30E
Chaves County, New Mexico

Dear Mr. Stamets:

McClellan Oil Corporation would appreciate an administrative approval for a non-standard Morrow gas well location as provided for under NMOCD Rule 104F.

The MOC Champeau Fed. No. 1 is a re-entry of the Texaco Inc. No. 1 Champeau. We are requesting administrative approval for this location based on the fact that this well is a re-entry of a Devonian dry hole.

The enclosed lease map shows the offset operators who have been notified by certified mail of our request.

We will appreciate your expeditious approval and issuance of the administrative order.

Sincerely,

Mark McClellan
