Blanco Mesavado Pool  
320 Acres w/2. Section 31

Dear Mr. Stamets:

This is a revised request for administrative approval for an unorthodox gas well location in the Blanco Mesa Verde Pool.

It is intended to locate the El Paso Natural Gas Company's Harrington #6 at 2090' from the South line and 2295' from the West line of Section 31, T-27-N, R-7-W, Rio Arriba County, New Mexico.

Due to the existence of Largo Wash, the Bureau of Land Management designated Flood Plain Area, and a pipeline in the SW/4 of this section makes it impossible to build an orthodox location.

A copy of this application is being submitted to all offset operators by certified mail with a request that they furnish your Santa Fe office with a Waiver of Objection, and return one copy to this office.

Plats showing the proposed well location and the terrain in Section 31, along with an ownership plat, are attached.

Sincerely yours,

G. W. Brink
