Dear Mr. Stamets:

Urbal 9-17-85

This is a revised request for administrative approval for an unorthodox gas well location in the Blanco Mesa Verde Pool.

It is intended to locate the El Paso Exploration Company's EPNG B #1A at 1060' from the North line and 2140' from the East line of Section 28, T-32-N, R-06-W, San Juan County, New Mexico.

The presence of Navajo <sup>Lake</sup> ~~Land~~ makes it impossible to build an orthodox gas well location in this section.

A copy of this application is being submitted to all offset operators by certified mail with a request that they furnish your Santa Fe office with a Waiver of Objection, and return one copy to this office.

Plats showing the proposed well location and the terrain in Section 28, along with an ownership plat, are attached.

Sincerely yours,

A handwritten signature in dark ink, appearing to read "G. W. Brink".
