RULE-104A(I)

RE: Request for approval of
Unorthodox well locations
Langlie-Jal Unit
Lea County, New Mexico

Langlie-Mattix & Jalmat Pools

Gentlemen:

Union Texas Petroleum Corporation requests administrative approval of two (2) unorthodox well locations in our Langlie-Jal Unit. The locations are as follows:

Langlie-Jal Unit #108

1275' FEL & 2575' FSL
Sec 5, T25S, R37E

- 40' Area dead.
NE1/4 SE1/4

Langlie-Jal Unit #110

1360' FEL & 1400' FSL
Sec 5, T25S, R37E

- 40' Area dead
NW1/4 SE1/4

Langlie-Jal Unit 109 has an unorthodox approval for 40' FEL & 2555' FNL. Please amend this to 120' FEL & 2555' FNL. 40' was submitted in error, actual location is 120' FEL. A plat of the Langlie Jal Unit is attached.

Best regards,

Ken White
