Gentlemen:

Columbus Energy Corporation requests a waiver from your firm to complete the subject well in an unorthodox location offsetting one of your existing leases.

Several archaeological finds in the area of the orthodox location prevented us from staking our well as planned.

Copies of maps showing offset operator and topographical information are enclosed.

Please sign and return the waivers to the New Mexico Oil Conservation Division and Columbus Energy Corporation. Return envelopes are enclosed for your convenience. If you object to the proposed completion, please provide a letter to each office stating your objection.

Yours very truly,

COLUMBUS ENERGY CORPORATION

Dear Mr. Stamets,

We hereby request approval of the unorthodox location for the subject well. Copies of a location plat, topographic map, and a map showing offset operators are attached for your reference.

The above site was moved from an orthodox location of 1050' FNL & 825' FEL, Sec 27, T26N, R3W to its present location due to several archaeological finds in the area of the orthodox location.

Yours very truly,
