Attn: Mr. William Jones

RE: Administrative Order NSL – 5668

Mr. Jones,

EOG Resources requests NMOC to amend the previously granted NSL order to include production from the ~~Loco Hills~~ Atoka gas pool.

Production from our Burnett Oil 24 Fed Com 3 is being down hole commingled from the Cedar Lake; Morrow and ~~Loco Hills~~ Atoka pools.

As previously stated in the original order, the surface location is non-standard due to the proximity of two buried pipelines. Encroachment is to the interior of our 320-acre proration unit, not to any outer boundary.

If additional information is needed, please contact me at 432 686 3689.

Sincerely,

EOG RESOURCES, INC.

Stan Wagner
