Re: Megabyte Com No. 1
2250' FNL and 750' FEL
Sec. 30, T26N, R2W
Rio Arriba Co., New Mexico

Dear Sir:

*As per R-8227-
181 acres*

The above referred to location is for a well to be drilled to the Gallup Formation. Due to the size and shape of the proration unit assigned to by regulation to this well, it is physically impossible to stake at a standard location. Certified Letters have been sent to the offsetting operators advising them of the proposed location. We hereby request administrative approval of this unorthodox location for drilling.

Thank you for your assistance in this matter.

Yours truly,

MERRION OIL & GAS CORPORATION
