RE: Leeman Fed. No. 4  
Lease #NM-13978  
Sec. 12-T9S-R25E  
660 FSL & 2310 FWL  
Chaves County, New Mexico

Dear Mr. LeMay:

McClellan Oil Corporation would appreciate an administrative approval for a non-standard Abo gas well location, as provided for under NMOCD Rule 104F.

The enclosed map shows the topography problem to the west, which is a draw that runs north and south. Our preferred location of 660' FSL & 1980 FWL was unacceptable due to the presence of the draw. We are requesting administrative approval for this location for topographical reasons.

The enclosed lease map shows the offset operators who have been notified by certified mail of our request.

We will appreciate your expeditious approval and issuance of the administrative order.

Sincerely,

*Mark McClellan*  
Mark McClellan
