Conoco Inc. respectfully requests administrative approval to drill the subject well at an unorthodox location in unit letter F, 1355' FNL & 1330' FWL, Section 33, T-17S, R-32E, Lea County, New Mexico. This well will be drilled on 20-acre spacing as provided for in Order No. 2403, dated December 31, 1962.

The necessity for drilling the MCA Unit No. 371 at an unorthodox location is due to the presence of Maljamar plant gathering lines to the north of the location and roads to the south of the location.
