Section 1, T26N-R5W
Rio Arriba County, NM

Dear Mr. LeMay:

Union Texas Petroleum requests administrative approval of an unorthodox location for a Tapacito Pictured Cliffs/BS Mesa Gallup dual completion. The basis for our request is for topographic reasons and the proximity of existing pipelines.

No offset operators have been notified of our intentions as these proration units are offset by only Union Texas Petroleum.

If I may be of any further assistance, please advise.

Very truly yours,

Robert C. Frank
Permit Coordinator
