Mr. William LeMay New Mexico Oil Conservation Division Post Office Box 2088 Santa Fe, New Mexico 87501 Undesignated Edan Hill Fruitland Basal Coal Pool 300 Acres ded

Dear Mr. LeMay:

This is a request for administrative approval for an unorthodox gas well location in the Cedar Hill Fruitland Basal Coal Pool.

It is intended to locate the Southland Royalty Company's Page #101 at 910' from the South line and 510' from the West line of Section 18, T-32-N, R-10-W, San Juan County, New Mexico.

Extremely rough terrain in the form of steep cliffs makes it impossible to build an orthodox location in the southwest quarter of this section.

A copy of this application is being submitted to all offset operators by certified mail with a request that they furnish your Santa Fe office with a Waiver of Objection, and return one copy to this office.

Plats showing the proposed well location and the terrain in Section 18, along with an ownership plat, are attached.

Sincerely yours,

Peggy Doak
