Dear Mr. LeMay:

This is a request for administrative approval for an unorthodox gas well location in the Undesignated Fruitland Pool.

It is intended to locate the El Paso Natural Gas Company's San Juan 32-5 Unit #100 at 690' from the south line and 2285' from the west line of Section 23, T-32-N, R-6-W, Rio Arriba County, New Mexico.

Extremely rough terrain in the form of steep cliffs makes it impossible to build an orthodox location in the southwest quarter of this section.

El Paso Natural Gas Company is the operator of the San Juan 32-5 Unit.

Plats showing the proposed well location and the terrain in Section 23, along with an ownership plat, are attached.

Sincerely yours,

A handwritten signature in cursive script that reads "Peggy Doak".
