Dear Mr. LeMay:

This is a request for administrative approval for an unorthodox gas well location in the Undesignated Fruitland Pool.

It is intended to locate the Meridian Oil Inc.'s EPNG B #100 at 1015' from the North line and 2485' from the East line of Section 28, T-32-N, R-6-W, San Juan County, New Mexico.

Extremely rough terrain in the form of steep cliffs and Navajo Lake makes it impossible to build an orthodox location in the northeast quarter of this section.

A copy of this application is being submitted to all offset operators by certified mail with a request that they furnish your Santa Fe office with a Waiver of Objection, and return one copy to this office.

Plats showing the proposed well location and the terrain in Section 28, along with an ownership plat, are attached.

Sincerely yours,

A handwritten signature in cursive script, appearing to read "Peggy Doak".
