Dear Mr. LeMay:

This is a request for administrative approval for an unorthodox gas well location in the Undesignated Fruitland Pool.

It is intended to locate the El Paso Natural Gas Company's Allison Unit #126 at 1900' from the North line and 1765' from the East line of Section 14, T-32-N, R-7-W, San Juan County, New Mexico.

Extremely rough terrain in the form of steep cliffs makes it impossible to build an orthodox location in the northeast quarter of this section.

El Paso Natural Gas Company is the operator of this unit.

Plats showing the proposed well location and the terrain in Section 14, along with an ownership plat, are attached.

Sincerely yours,

A handwritten signature in cursive script that reads "Peggy Doak".
