Mr. William LeMay New Mexico Oil Conservation Division Post Office Box 2088 Santa Fe, New Mexico 87501

Dear Mr. LeMay:

ĩ

٩

This is a request for administrative approval for an unorthodox gas well location in the Undesignated Fruitland Coal Pool.

It is intended to locate the Meridian Oil Inc.'s Grambling C Com #201 at 2500' from the South line and 1470' from the West line of Section 12, T-30-N, R-10-W, San Juan County, New Mexico.

Extremely rough terrain in the form of steep cliffs makes it impossible to build an orthodox location in the southwest quarter of this section.

Meridian Oil Inc. is the offsetting operator for this location.

Plats showing the proposed well location and the terrain in Section 12, along with an ownership plat, are attached.

Sincerely yours,

. Peggy Doak
