Re: NSL-2736 (Mewbourne Oil Company's Federal "R" No. 1
Well, S₁ of Section 17, Township 17 South, Range 27
(East), Eddy County, New Mexico)

Dear Mr. Lemay:

The Division granted NSL-2736 for a well to be located 660 feet from the south line and 990 feet from the west line of Section 17. Mewbourne Oil Company has since determined that the location is less than 20 feet from a power line. As a result, they request that NSL-2736 be amended to permit a location 660 feet from the south line and 1,190 feet from the west line of Section 17. This location will move the well to a less unorthodox location.

Your consideration of this matter is appreciated.

Very truly yours,

HINKLE, COX, EATON, COFFIELD &
HENSLEY
