Dear Mr. Maples:

Upon review of the subject application, we were unable to determine the reason for this filing. All indications show that this well is at a standard location and there are no variances from General Rule 104.F(I) or R-3181, as amended. Please contact me if this is not the case, otherwise, this portion of your filing dated December 13, 1989, will be dismissed.

Sincerely,

A handwritten signature in dark ink, appearing to read "Michael E. Stogner", with a long horizontal line extending from the end of the signature.
