Administrative Order NSL-2797

Dear Ms. Perrin:

Reference is made to your application dated April 19, 1990 for a non-standard coal gas well location for your Cowsaround "16" Well No. 11 to be located 1980 feet from the North line and 2140 feet from the West line (Unit K) of Section 16, Township 26 North, Range 12 West, NMPM, Basin Fruitland Coal (Gas) Pool, San Juan County, New Mexico. The W/2 of said Section 16 shall be dedicated to the well forming a standard 320-acre gas spacing and proration unit for said pool.

By the authority granted me under the provisions of Rule 8 of the Special Rules and Regulations for the Basin-Fruitland Coal (Gas) Pool as promulgated by Division Order No. R-8768, the above-described unorthodox coal gas well location is hereby approved.

Sincerely,

A handwritten signature in cursive script, reading "William J. LeMay by David Catland".
