Dear Mr. LeMay:

This is a request for administrative approval for a non-standard gas well location in the Basin Fruitland Pool.

El Paso Natural Gas Company intends to plugback and recompleate the Huerfano Unit #84 well from the Pictured Cliffs pool to the Basin Fruitland Coal Pool. The current location of this well is 890'FSL, 991'FEL, Section 26, T-27-N, R-11-W, San Juan County, New Mexico. 1. C-102 plat showing location of the well;
2. Plat showing offset owners/operators;
3. Affidavit of notification of offset owners/operators;
4. Copy of Well Completion Log for original completion.

A copy of this application is being submitted to all offset owners/operators by certified mail with a request that they furnish your Santa Fe office with a Waiver of Objection, and return one copy to this office.

Sincerely yours,

Peggy Bradfield
