Suite 375
Houston, TX 77070

Attention: Michael J. Newport

Administrative Order NSL-2878

Dear Mr. Newport:

Reference is made to your application dated September 5, 1990 for a non-standard oil well location to permit the completion of an efficient production/injection pattern within an active secondary recovery project for your Lovington San Andres Unit Well No. 67 to be located 2444 feet from the South line and 281 feet from the West line (Unit L) of Section 31, Township 16 South, Range 37 East, NMPM, Lovington Grayburg San Andres Pool, Lovington San Andres Unit Waterflood Project Area, Lea County, New Mexico. Lot 3 of said Section 31 shall be dedicated to the well forming a 49.56-acre oil spacing and proration unit.

By the authority granted me under the provisions of General Rule 104 F(I) the above-described unorthodox oil well location is hereby approved.

Sincerely,

A handwritten signature in black ink, appearing to read 'William J. LeMay', with a long horizontal line extending to the right and a vertical line dropping down from the end.

William J. LeMay
Director
