*Administrative Order NSL-2916*

Dear Ms. McKee:

Reference is made to your application dated September 21, 1990 for a non-standard coal gas well location for your F. C. The W/2 of said Section 9 shall be dedicated to the well forming a standard 320-acre gas spacing and proration unit for said pool.

By the authority granted me under the provisions of Rule 8 of the Special Rules and Regulations for the Basin-Fruitland Coal (Gas) Pool as promulgated by Division Order No. R-8768, the above-described unorthodox coal gas well location is hereby approved.

Sincerely,
