Spence Energy Company -
c/o Jerry W. Long
2709 Resolana Drive
Roswell, NM 88201

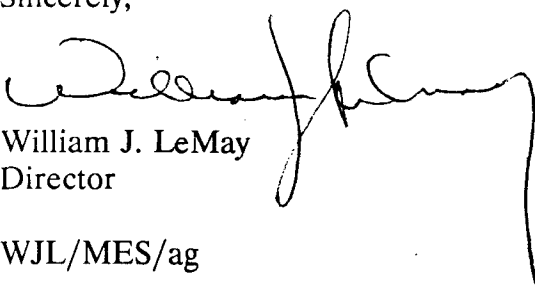

Administrative Order NSL-3017

Dear Mr. Long:

Reference is made to your application dated April 22, 1991 for a non-standard oil well location for your Kellahin "14" State Well No. 4 located 980 feet from the South line and 330 feet from the East line (Unit P) of Section 14, Township 9 South, Range 32 East, NMPM, South Flying "M" Bough Pool, Lea County, New Mexico. The S/2 SE/4 of said Section 14 shall be dedicated to the well forming a standard 80-acre oil spacing and proration unit for said pool.

By the authority granted me under the provisions of Rule 5 of the Special Rules and Regulations for the South Flying "M" Bough Pool, as promulgated by Division Order No. R-3228, as amended, the above-described unorthodox oil well location is hereby approved.

Sincerely,

William J. LeMay
Director
