Said GPU was authorized by Division Order No. R-4357, dated August 7, 1972 and presently has dedicated thereon the Emery King NW Well Nos. 1 and 4 located in Units E and F respectively of said Section 1.

By authority granted me under the provisions of Rule 2(c) of the Special Rules and Regulations for the Jalmat Gas Pool, as promulgated by Division Order No. R-8170, as amended, the above described unorthodox gas well location is hereby approved:
