Evergreen Operating Corporation
c/o A.R. Kendrick
P.O. Box 516
Aztec, New Mexico 87410

Administrative Order NSL-3143

Dear Mr. Kendrick:

Reference is made to your application dated July 7, 1992 on behalf of the operator, Evergreen Operating Corporation, for a non-standard coal gas well location for the Chicosa "34" Well No. 1 to be located 590 feet from the North line and 1860 feet from the East line (Unit B) of Section 34, Township 31 North, Range 4 West, NMPM, Basin-Fruitland Coal (Gas) Pool, Rio Arriba County, New Mexico. The E/2 of said Section 34 shall be dedicated to the well forming a standard 320-acre gas spacing and proration unit for said pool.

By the authority granted me under the provisions of Rule 8 of the Special Rules and Regulations for the Basin-Fruitland Coal (Gas) Pool as promulgated by Division Order No. R-8768, as amended, the above-described unorthodox coal gas well location is hereby approved.

Sincerely,

A handwritten signature in dark ink, appearing to read "William J. Lemay".

WILLIAM J. LEMAY
