Dear Mr. Gallagher:

SUBJECT: PROPOSED INFILL PRODUCERS
SHELL WESTERN NORTH HOBBS (GB/SA) UNIT
LEA COUNTY, NEW MEXICO

This is to advise you that Shell Western E&P Inc. has renewed its plan to drill two infill producers within the City of Hobbs. The proposed well numbers and locations are attached. The New Mexico Oil Conservation Division's approval to drill both wells has expired and applications have been resubmitted. We currently anticipate drilling operations to commence in September 1993.

Shell Western, of course, will make the necessary arrangements to notify residents in the immediate area prior to starting operations. For your information, we have also attached a plat showing the proposed well locations.

Your contact person within Shell Western will be Mr. F. C. Stein, Sr. Drilling Superintendent, phone no. (713) 544-2966.

We appreciate the usual cooperation of the City of Hobbs.

Very truly yours,

J. L. Morris
