RE: Additional Information and Request for Approval  
9/18/92 Application for Unorthodox Jalmat Gas Well Location & Simultaneous Dedication  
H. S. Record WN #2  
S/2 Section 10, T22S, R36E, Lea County, NM  
Jalmat (Tansill/Yates/Seven Rivers) Gas Pool

Dear Mr. LeMay:

ARCO Oil and Gas Company respectfully requested, by application to your office on 9/18/92, administrative approval for an unorthodox Jalmat gas well location for the H. S. Record WN #2 well located 560' FSL, 660' FWL, Section 10, T-22S, R-36E in Lea County, New Mexico. At the same time, ARCO requested simultaneous dedication of the Jalmat gas production from the H. S. Record WN #1 and #6 wells with the Jalmat gas production from the H. S. Record WN #2 well.

ARCO Oil and Gas Company notified the offset operators of that application by sending a copy of the application package, along with Waiver to Objection forms, by certified mail. Attached with this follow-up letter are copies of the certified mail receipts sent to all offset operators, showing that they have all received a copy of this application and have had more than 21 days to respond to either ARCO or the NMOCD. Also attached are copies of signed waiver forms from 2 of the offset operators, indicating that they have no objection to the proposed work. Since signed waivers have been received from 2 offset operators, and since all offset operators have received notice of ARCO's application by certified mail and have had sufficient time to respond to the application, and no offset operators have objected to this application, ARCO respectfully requests that the NMOCD grant prompt administrative approval of this request so that ARCO may perform the work in a timely manner.

If you need further information, please call me at (915) 688-5546.

Sincerely,

Kevin D. Renfro  
Operations/Analytical Engineer
