Subject: P-1 Pipeline Construction Notification

Leonard, as required by condition 12.B. of Discharge Plan No. GW-090 for the P-1 Portales Compressor Station, Transwestern is required to provide to the OCD notification of all new underground piping prior to installation. Be apprised that at this facility a construction project will be initiated by Dairy Concepts to install approximately 1500' of 6" natural gas pipeline with 2-2" meter runs and related equipemnt. This construction project will occur near the facility's south fenceline. This pipe will be constructed on Transwestern property but owned and operated by Dairy concepts.

Your email confirmation of this notification is requested.

Thanks,

Larry Campbell
