Attention: Mr. Michael E. Stogner

Gentlemen:

An exception, by administrative approval, to Rule 104 F.I. is requested for the captioned well. This well is on Federal minerals.

The well must be drilled in this location to ensure proper development on 20-acre spacing to recover additional reserves in an established waterflood. These reserves could not be recovered with the current 80-acre, 5-spot pattern.

The "affected" offset operators to this well are Marathon Oil Company, and Smith & Marrs, Inc. Koch Industries sold their wells to Smith & Marrs (see attached letter) and Smith & Marrs has signed a waiver to this location (attached). Marathon has been notified of this request. (See attached letter and return receipt.)

Attached is Forms C-102, showing the location for the well and a lease plat showing the existing wells.

Yours very truly,

C.P. Basham / CWH
