Corrected Administrative Order NSL-3311

Dear Mr. Basham:

It has been brought to our attention that Division Administrative Order NSL-3311, dated September 16, 1993, is in error.

The proposed Cooper Jal Unit Well No. 404, being one of four well locations approved in said order is in fact orthodox. The No. 404 shall be deleted at this time from the provisions of NSL-3311.

All other provisions, however, shall remain in full force and effect until further notice.

Sincerely,

A handwritten signature in black ink, appearing to read "William J. LeMay".
