Describe Area Affected and Cleanup Action Taken.\* A vacuum truck was used to remove standing water and haul it to one of Rice Operating Company's  
oil water disposal wells. Pasture was affected. Delineation results to follow.

I hereby certify that the information given above is true and complete to the best of my knowledge and understand that pursuant to NMOCD rules and  
regulations all operators are required to report and/or file certain release notifications and perform corrective actions for releases which may endanger  
public health or the environment. The acceptance of a C-141 report by the NMOCD marked as "Final Report" does not relieve the operator of liability  
should their operations have failed to adequately investigate and remediate contamination that pose a threat to ground water, surface water, human health  
the environment. In addition, NMOCD acceptance of a C-141 report does not relieve the operator of responsibility for compliance with any other  
federal, state, or local laws and/or regulations.
