*Administrative Order NSL-3333*

Dear Mr. Carr:

Reference is made to your application dated November 19, 1993, on behalf of Collins & Ware, Inc. for a non-standard oil well location for their Sheep Draw Federal Well No. 6 to be drilled 1190 feet from the North line and 990 feet from the West line (Unit D) of Section 33, Township 22 South, Range 26 East, NMPM, Happy Valley Delaware Pool, Eddy County, New Mexico. The NW/4 NW/4 of said Section 33 shall be dedicated to the well forming a standard 40-acre oil spacing and proration unit for said pool.

By the authority granted me under the provisions of General Rule 104.F(I) the above-described unorthodox oil well location is hereby approved.

Sincerely,

A handwritten signature in black ink, appearing to read "William J. LeMay".

William J. LeMay
