Hi William,

I received the permit approval in the mail today. Thanks a lot for your help. There were 2 discrepancies I found on the permit and was hoping you could direct me in how to correct.

1. On the second line from the bottom "Permitted Injection Interval: 4636 to 4646" our application was for 4536' to 4646' I think this was is just a mistype of one number but has a big effect.
2. We are just over the border in Roosevelt County, NM not Lea County, NM

Thanks for any advice,

Jim Skurner, P.E.
