Dear Ms. Edwards:

Reference is made to the following:

(a) your application (**administrative application reference No. pDKB08-12754282**) submitted to the New Mexico Oil Conservation Division (the Division) in Santa Fe, New Mexico on May 6, 2008, and

(b) Administrative Order NSL-5761-A, issued on June 1, 2008, granting the referenced application.

Due to a clerical error, Order NSL-5761-A incorrectly described the location of the subject well as 890 feet from the North line and 2510 from the West line. The actual location, which is hereby approved, is 890 feet from the North line and 2510 feet from the East line (Unit B) of Section 16, Township 17 South, Range 30 East, N.M.P.M., in Eddy County, New Mexico. 1210.A(2).

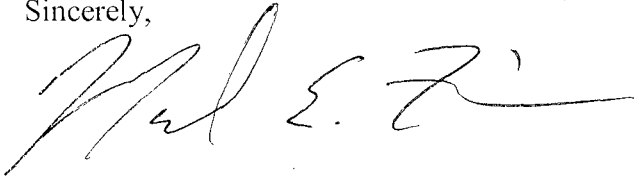

This Order NSL-5761-B is hereby issued *nunc pro tunc* to correct the above-described clerical error. Order NSL-5761-A, as hereby amended, shall be and remain in full force and effect from and after June 1, 2008.

This approval is subject to your being in compliance with all other applicable Division rules, including, but not limited to Division Rule 40.

Jurisdiction of this case is retained for the entry of such further orders as the Division may deem necessary.

Sincerely,
