Application For Unorthodox Location
Michener LS # 3A Well
1840' FWL, 1390' FNL, Section 15-T28N-R9W
Blanco Mesaverde Pool
San Juan County, New Mexico

Amoco Production Company hereby requests administrative approval for an unorthodox well location for the Michener LS # 3A well in the Blanco Mesaverde Pool. Amoco plans to drill this well at an unorthodox location due to the extreme topographical restrictions in the northeast quarter of Section 15. A map of the terrain is attached. This well is 70 feet too close to the quarter quarter section line moving toward the center of the section.

A copy of this application will be submitted to the offset operators by certified mail with a request that they furnish your Santa Fe office with a Waiver of Objection, and return one copy to this office. Attached are plats showing the location of the well, offset operators, and all wells drilled in the area.
