Subject: ICP Approvals: #1R426-110; #1R426-104

Dear Mr. Conder:

The New Mexico Oil Conservation Division (NMOCD) has reviewed the submitted Investigation Characterization Plans (ICPs), dated June 16, 2008, for the above referenced sites. The NMOCD hereby approves the following ICPs for the Rice Operating Company sites:

1. BD SWD Jct. B-25 submitted by Arcadis on 6/19/2008 #1R426-104
2. BD SWD Jct. F-35 boot submitted by Arcadis on 6/19/2008 #1R426-110

Also, please be advised that NMOCD approval of these plans does not relieve the owner/operator of responsibility should operations pose a threat to ground water, surface water, human health or the environment. In addition, NMOCD approval does not relieve the owner/operator of responsibility for compliance with any OCD, federal, state, or local laws and/or regulations.

If you have questions regarding this matter, please contact me at 505-476-3489.

Edward J. Hansen
Hydrologist
Environmental Bureau

P.S.: Please use the respective OCD case #s on future correspondence regarding the sites listed above.
