Mack Energy Corporation
P. O. Box 960
Artesia, New Mexico 88211-0960
Attention: Matt J. Brewer

Corrected Administrative Order NSL-3818

Dear Mr. Brewer:

Reference is made to your application dated May 15, 1997 for a non-standard oil well location for the proposed Berry "A" Federal Well No. 8 (API No. 30-015-29565) to be drilled 2080 feet from the **North** line and 1525 feet from the **West** line (Unit F) of Section 21, Township 17 South, Range 30 East, NMPM, Grayburg Jackson Pool and Undesignated-Loco Hills-Paddock Pool, Eddy County, New Mexico. The SE/4 NW/4 of said Section 21 is to be dedicated to said well to form a standard 40-acre oil spacing and proration unit.

The application has been duly filed under the provisions of Rule 104.F of the General Rules and Regulations of the New Mexico Oil Conservation Division ("Division"), revised by Division Order No. R-10533, issued by the Oil Conservation Commission in Case 11,351 on January 18, 1996.

By the authority granted me under the provisions of Division General Rule 104.F(2), the above-described unorthodox gas well location is hereby approved.

Sincerely,

A handwritten signature in black ink, appearing to read "William J. LeMay". The signature is written over the printed name and title.

William J. LeMay
Director
