North Turkey Track (Morrow) Gas Pool  
Undesignated Palmillo-Cisco Gas Pool  
Eddy County, New Mexico*

Dear Mr. Stogner:

3914

OXY USA Inc. ("OXY") respectfully requests approval to change the location of this unorthodox well that was approved by NSL-~~3856~~ on December 12, 1997. This new location encroaches on affected offset parties to a lesser degree than the location that was approved in the subject order. At this time OXY hopes to spud this well at the new location in mid-January. If completed in any pool spaced on 320 acres (except the Undesignated Turkey Track-Atoka Gas Pool), we will dedicate the north half of section 35 as a 320-acre spacing unit for production. If an Atoka completion becomes necessary, a formal application for NSL authority will be submitted and notice provided to affected parties at that time. A plat is attached for your information showing the new location.

Please call me at 915/685-5913 if you have any questions. I thank you for consideration of this request.

Sincerely,

Richard E. Foppiano, P.E.
