**RE: Corrective Action Plan (1R427-09) Approval  
for the Rice Operating Company's  
EME Jct. L-6 Boot Site  
Unit Letter L, Section 6, T20S, R37E, Lea County, New Mexico**

Dear Mr. Conder:

The New Mexico Oil Conservation Division (OCD) has received the Corrective Action Plan for the EME Jct. L-6 Boot Site, dated September 5, 2008, and has conducted a review of the Plan. The Plan, submitted for the above-referenced site, indicates that Rice Operating Company (ROC) has met the requirements of OCD Part 29 (formerly, Rule 116) for a remediation plan. Therefore, the OCD hereby approves the Corrective Action Plan for above-referenced site, dated September 5, 2008, in accordance with 19.15.29 NMAC.

Please be advised that OCD approval of this Plan does not relieve the owner/operator of responsibility should operations pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the owner/operator of responsibility for compliance with any OCD, federal, state, or local laws and/or regulations.

If you have any questions regarding this matter, please contact me at 505-476-3489.
