Re: Administrative Order SWD-1116

Karlsbad Corral SWD Well No. 2 (API No. 30-015-36167)
350 FSL, 350 FWL, Sec 11, T25S, R29E, NMPM, Eddy County
Injection into the Bell Canyon member of the Delaware Mountain Group

You have submitted a request on behalf of Lime Rock Resources, L.P. for an extension of this injection permit beyond the one year deadline to commence injection for the reasons outlined in the attached correspondence.

The Division finds that granting Lime Rock's request to extend this injection permit beyond the normal one year is in the interest of conservation and will prevent waste and protect the environment.

All requirements of the above referenced injection permit remain in full force and effect except that the deadline to commence injection is hereby extended until September 11, 2009.

Sincerely,

MARK E. FESMIRE, P.E.
Director
