Re: Canyon SWD #1 Well
Administrative Extension to Order SWD-1119
San Juan County, New Mexico

XTO Energy Inc. ("XTO") is hereby requesting an administrative extension to inject per Order SWD-1119 based upon Rule 19.15.9.705.C.2.

Due to economic conditions during the last several months, XTO has not yet had the opportunity to drill the Canyon SWD #1 injection well. XTO is requesting an administration approval to extend the Administrative Order SWD-1119. XTO anticipates that the Canyon SWD #1 well will be drilled during the third quarter of 2009.

If you have any questions or need additional information please contact me at (505) 333-3100.

Sincerely,
