Ladies and Gentlemen:

Please be advised that Coleman Oil & Gas, Inc. has filed an Application for Surface Commingling Basin Fruitland Coal production on wells located on the lands described below. You apparently own a revenue interest in one or more of these wells. As a revenue interest owner you are entitled to this notice of the proposed action. If you have any comments regarding the proposal you have twenty (20) days from the date the New Mexico Oil Conservation Division (OCD) receives the Application to register those comments with the OCD. These lands and the wells located thereon will be added to either existing OCD Commingling Order CTB 528 or CTB-556. A copy of the Application and related material is enclosed for your reference.
