Re: Administrative Order SWD-426-A for Produced Water Disposal,
Lea County, New Mexico

Gentlemen:

Effective July 1, 2008, DLJ Equipment Leasing, LTD. Co. (DLJ) assumed operation of the Sprinkle Federal Well No. 3 (API No. 30-025-28521). The previous operator, Lynx Petroleum Consultants, Inc., received approval on October 4, 2007 to convert this well to a salt water disposal well. DLJ wishes to request that the authority given in the order be transferred to DLJ. Work is expected to begin as soon as authority is given and a rig is available.

If you have any questions, please do not hesitate to call me at 575-392-3575 or Larry Gandy at 575-396-0522.

Sincerely,

Debbie McKelvey, Agent
