I hereby certify that the information given above is true and complete to the best of my knowledge and understand that pursuant to NMOCD rules and regulations all operators are required to report and/or file certain release notifications and perform corrective actions for releases which may endanger public health or the environment. The acceptance of a C-141 report by the NMOCD marked as "Final Report" does not relieve the operator of liability should their operations have failed to adequately investigate and remediate contamination that pose a threat to ground water, surface water, human health or the environment. In addition, NMOCD acceptance of a C-141 report does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

Lea County, NM

Dear Mr. Brown:

Per the telephone notification to you on 4/02/09, at approximately 3:00 p.m., please

find attached a completed Form C-141 regarding the above referenced release.

Please recognize it is Samson's intent to operate in an environmentally responsible manner and to maintain compliance with applicable laws and regulations. I trust this information will satisfy any concerns the State of New Mexico Energy Minerals and Natural Resources may have regarding this incident. If you need additional information, please feel free to contact me at (918) 591-1364.

Thank you.

Sincerely,

Samson Resources Company

Autumn M. Long
