Re: Administrative Order NSP-335

Attention: Mr. W. B. Blankenship

Gentlemen:

We have been informed that you took over on April 1, 1957 from J. H. Moore, the Pech-State Well No. 2, located in the NE/4 SW/4 of Section 32, Township 21 South, Range 36 East, South Eunice Oil Pool, Lea County, New Mexico,

On April 18, 1957 at the request of Mr. J. H. Moore, Administrative Order DC-384 was cancelled by us as it was to be a single completion. A copy of Mr. Moore's letter and our letter is enclosed.

On December 28, 1956, we issued Administrative Order NSP-335 for a 160-acre gas unit consisting of the SW/4 for this well. A copy of this is attached. If this well is to continue only as an oil well in the South Eunice Oil Pool, then would you please request this office to cancel NSP-335 as it likely would not be needed.

Yours very truly,

A. L. PORTER, JR.
Secretary-Director

Re: Cancellation of NSP-335

Attention: Mr. W. B. Blankenship

Gentlemen:

Reference is made to your letter dated May 15, 1957, requesting cancellation of NSP-335 for your Pech-State Well No. 2, NSP consisting of the SW/4 of Section 32, Township 21 South, Range 36 East, Lea County, New Mexico, Jalmat Gas Pool.

Effective this date Administrative Order NSP-335 is hereby cancelled due to the fact the well is an oil well in the South Eunice Oil Pool and you do not anticipate making a gas well out of the subject well.

Very truly yours,

A. L. PORTER, JR.
Secretary-Director

Dear Sir:

This is to advise you that under New Mexico Oil Conservation Commission Administrative Order NSP-335, which was issued December 28, 1956, you must communitize this SW/4 with the approval of the Commissioner of Public Lands before you can produce this well on a 160-acre allowable.

This would be J. W. Peery's B-1398-15 covering the SW/4 SW/4 and Shell Oil Company's B-1167-20 covering the SE/4 SW/4.

We require an original and one copy for our files and a \$5.00 filing fee.

May we hear from you at your earliest convenience.

Very truly yours,
