## Administrative Order NSL-6069

**Re: Mobil Federal Well No. 10  
API No. 30-015  
1310 feet FNL and 2450 feet FEL  
Unit B-29-23S-31E  
Eddy County, New Mexico**

Dear Mr. Stewart:

Reference is made to the following:

(a) your application (**administrative application reference No. pTGW09-21055469**) submitted to the New Mexico Oil Conservation Division (the Division) in Santa Fe, New Mexico on July 29, 2009, and

(b) the Division's records pertinent to this request.

OXY USA Inc. (OXY) has requested to drill the above-referenced well at an unorthodox oil well location, described above in the caption of this letter. The NW/4 NE/4 of Section 29 will be dedicated to this well in order to form a standard 40-acre spacing unit in the West Sand Dunes Delaware Pool (53815). This pool is governed by statewide Rule 104.B(1), which provides for 40-acre units, with wells located at least 330 feet from a unit outer boundary. This location is less than 330 feet from the southern and western unit boundaries.

Your application has been duly filed under the provisions of Division Rules 15.13 and 4.12.A(2).

It is our understanding that you are seeking this location for topographic reasons.

It is also understood that you have given due notice of this application to all operators or owners who are "affected persons," as defined in Rule 4.12.A(2), in all adjoining units towards

which the proposed location encroaches. We further understand that the executed waivers furnished with your application cover all affected interests.

Pursuant to the authority conferred by Division Rule 15.13.B, the above-described unorthodox location is hereby approved.

This approval is subject to your being in compliance with all other applicable Division rules, including, but not limited to Division Rule 5.9.

Jurisdiction of this case is retained for the entry of such further orders as the Division may deem necessary.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark E. Fesmire", with a long horizontal flourish extending to the right.
