Golden Lane Strawn (Gas) Field

Eddy County, New Mexico

Dear Sir:

311.16 acres

Application is hereby made for administrative approval of a non-standard unit for the captioned well.

As evidenced by the enclosed well location and acreage dedication plat, a non-standard unit is necessitated by a variation in the legal subdivision of the U.S. Public Land Surveys.

Also, enclosed herewith is a land plat indicating the known offset operators. By copy of this letter, with identical enclosures, we are notifying, by certified mail, all such operators of our intent to form said non-standard unit.

Your early approval of this application is respectfully requested.

Yours truly,
