Dear Ms. Hanson

Thank you for calling my attention to errors in Order NSL-1939, as noted below. OCD has issued Administrative Order NSP-1939-A-npt under date of January 27, 2010, to correct these errors.

The signed npt order will be posted on OCD's website.

I apologize for these errors and any inconvenience they may have caused.

Sincerely

David K. Brooks

Hi David,

The second to last paragraph on Page 2 refers to a 120-acre spacing and proration unit, however, I think it should state "40-acre spacing and proration unit". This is for the Tubb zone. I believe the Order for the Blinebry zone also referred to a 120-acre spacing and proration unit by mistake. I will send that Order to you in a separate e-mail. At your convenience, would you mind taking a look at this Order and the one I'm about to send you (Order No. NSP-1936) and see if they indeed need to be corrected to state "40-acre spacing and proration unit"? Thank you very much for your time.

Michelle Hanson
