

- LEGEND:
- X FENCE
 - Secondary Containment Berm
 - OUT OF SERVICE

- NOTES:
- OIL CONTAINING PIPES ARE DETAILED IN THE ARTESIA GAS PLANT PIPING AND INSTRUMENTATION DIAGRAM BOOKLET LOCATED IN THE ARTESIA GAS PLANT OFFICE.
 - THERE WERE APPROXIMATELY 30 55-GALLON DRUMS OBSERVED ON SITE AT THE TIME OF VISIT, THE NUMBER OF DRUMS MAY VARY FROM MONTH TO MONTH.

NOT TO SCALE

Note: This drawing is based on a field sketch and depicts the location and contents of each oil containing container, equipment, and piping (as required by 40 CFR 112.7(3)). This drawing should only be used for Spill Prevention Control and Countermeasure Plan(SPCC) purposes. As drawing is not to scale, actual containers, equipment, or piping may vary in size and position from those represented here.
